### British Values

### Protected Characteristics

### Careers & The Wider World

### Online Safety

### Relationships & Sex Education

### Mental Health & Wellbeing

The values that uphold British Society and allow us to live in a safe and peaceful society in Great Britain. These include respect, democracy, liberty, law and tolerance of faiths

The protected characteristics which have been declared by law to ensure people are not discriminated against based on their age, gender, disability, race or nationality, religion, marital status or pregnancy.

The vital role our careers and personal ambitions play in determining the quality of our life, wellbeing and personal feeling of fulfilment, achievement and success.

The online world and how it runs parallel with the real world, so that we can navigate it safely.

The key role that healthy relationships play in our life and overall well being. The different types of relationships, how to maintain positive relationships and identify unhealthy ones.

The importance of mental health to overall well being so that they can develop positive habits to support a healthy lifestyle and identify when additional support is required.
