

The Anderson Garden gets an upgrade!

A group of students, led by Mrs Mulholland, have been working exceptionally hard to revive the Anderson garden. The area now looks fantastic with the repainted benches, tidy lawn, and all the beautiful flowers and decorations which have been put in. Well done to everyone for all their hard work!

More photos are available on our academy Facebook page.

Year 10 Drama trip: Things I Know to be True

The year 10 drama students were treated to a lovely evening out at Herne Bay Little Theatre, to see a production of 'Things I Know to be True', their GCSE Drama set text. The performances were brilliant, and the students were made to feel so welcome by the theatre group, even being treated to a Q&A with the director afterwards.

Year 11 Prom

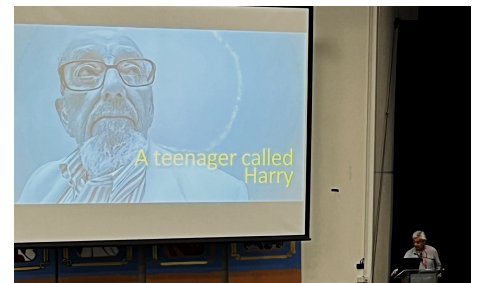

On Thursday 27 June, we celebrated year 11 Prom. A glittering occasion with everyone dressed in their finest suits and gowns, dancing until late into the evening. A proud moment to see our year 11s become such wonderful young people, embarking on the next stage in their lives. Congratulations to our Prom King and Queen, Jack and Sophie, as voted for by the students.

Photographs of the event will be available on our social media platforms in due course.

Holocaust Remembrance Assembly

On 27 June, Michael Bibring addressed Longfield Academy, recounting his father's experiences with the Kindertransport during the Holocaust. Bibring detailed how his father, as a young boy, was one of the fortunate children rescued from Nazi-occupied territories and brought to safety in Britain. He shared emotional anecdotes of his father's journey, the separation from his family, and the challenges of adapting to a new life in a foreign country. Bibring's talk emphasised the courage of those who facilitated the Kindertransport and the lasting impact it had on his father's life and legacy.

A Level Geography field work at Whitstable

The year 12 Geography A level students visited Herne Bay and Whitstable on Tuesday 25 June to undertake coastal fieldwork. We were incredibly lucky with the weather and the students had a really enjoyable day. The students will carry out further visits to London Docklands and Folkestone to look at urban regeneration.

Upcoming events
