

Goodbye to Year 11 & 13!

At the end of the last module, we celebrated the time of our year 11 and 13 students as they went off to half-term. They have been working so hard through their exams, and we are so proud of each and everyone of them as they begin the next stage of their lives. With only a few exams to go, we implore them to keep up the hard work and we all continue to wish them every success.

Sports Day

The annual Longfield Academy Sports Day is scheduled for 28 June. Students are encouraged to sign up for events and to help their college to victory! Can Matisse cling to the trophy for a second consecutive year? Further information about the day to follow.

Year 9 Student John Haddikin - Boxing Champ

Year 9 student John Haddikin recently competed in an international boxing competition in Portugal, having won the same competition last year. This competition provided John with a great opportunity to gain more experience boxing against skilled competitors from all over the world. John had to overcome some very tough opposition in this year's contest, and in his best fight he enjoyed a convincing win over a very skillful boxer from Denmark, to clinch the title. John's incredible success shows just what can be achieved through sheer hard work, perseverance and discipline. Bringing the gold medal home two years consecutively has made his boxing coach, his family, friends and the academy exceptionally proud of him. Well done, John!

Fishing Trip

Before half term, a small group of our students went to Hadlow for their second of four fishing days. This short course is run by the charity Fishing For Schools and this is the second year running we have been lucky enough to secure a place. Despite the very wet weather, the students caught some impressive fish!
